

Step-Up

LOW LEVEL WORK PLATFORM

INSTANT

QUALITY & STRENGTH YOU CAN TRUST

Key Features

1. Five Platform Heights

Platforms can be fitted at the desired height from 0.3m, 0.6m, 0.85m, 1.1m, 1.4m platform heights offering maximum versatility. Maximum platform height of 1.4m gives a working height of 3.4m.

2. Permanent Outriggers

Quickly deployable and adjustable by way of swivel joint and easily folds out of the way to minimise width.

3. Fits through Standard Doorway

Instant Step-Up will fit through a standard doorway in working position (don't need to fold unit - simply drop guardrails and fold in the outriggers).

4. Compact Dimensions

Step-Up is compact to store and can be transported in a small van or standard elevator lift.

StepUp/QD/WPC/01

Instant Step-Up is a lightweight, compact, heavy duty work platform which offers the operator a safe and stable working platform at five useful working heights. This work platform provides a fast, simple and cost effective solution for low level access for all types of contractors - roofing, shop-fitting, electrical, heating and ventilation, sign-writing, painting and more.

The simplicity of the design reduces the risk of incorrect assembly. Instant Step-Up features the unique high strength Rib-Grip jointing system, guaranteed for 10 years.

All standard components have an extended 10 year warranty - on all IU manufactured parts only.

Compliant with Work at Height Directives and the latest standards for low level access.

Adjustable Guardrail -
3 position adjustable guardrail
for optimum protection.
